

Libeccio

inox

**MADE IN
ITALY**

Specially designed to meet specific requirements in industrial field, LIBECCIO professional line of vacuum cleaners presents a wide range of high-tech and functional solutions. Suction power, filtering system and silent running are the essential features, which have made these products appreciated by professional users. To remove any kind of dirt, superficial or more resistant, solid or liquid, in industrial, food or mechanical sector; in handcraft and in wood manufacturing, in service companies, offices, sports plants or public corporations: the ideal solution for any requirement, specially designed to make your work more effective, faster and easier.

Dry vacuum cleaner

Model	Code	motor W (max W)	column depression	air suction	tank capacity	voltage	accessory
LX120D	8.225.0006	1100 (1300)	2200 mmH ² O/21.6 kPa	50 l./s	20 l.	230V~50Hz*	Ø 36 A

Wet & dry vacuum cleaner

Model	Code	motor W (max W)	column depression	air suction	tank capacity	voltage	accessory
LX120F	8.225.0007	1200 (1400)	2200 mmH ² O/21.6 kPa	55 l./s	20 l.	230V~50Hz*	Ø 36 B

* Standard machines run also at 220V/240V, 50Hz/60Hz

Wet & dry vacuum cleaner

Model	Code	motor W (max W)	column depression	air suction	tank capacity	voltage	accessory
LX135F	8.222.0510	1200 (1400)	2400 mmH ² O/23.6 kPa	55 l./s	35 l.	230V~50Hz*	Ø 36 B

* Standard machines run also at 220V/240V, 50Hz/60Hz

Wet & dry vacuum cleaner

Model	Code	motor W (max W)	column depression	air suction	tank capacity	voltage	accessory
LX150F	8.215.0517	1200 (1400)	2400 mmH ² O/23.6 kPa	55 l./s	50 l.	230V~50Hz*	Ø 40 C

* Standard machines run also at 220V/240V, 50Hz/60Hz

Wet & dry vacuum cleaner

Model	Code	motor W (max W)	column depression	air suction	tank capacity	voltage	accessory
LX278F	8.216.0515	2000 (2400)	2400 mmH ² O/23.6 kPa	108 l./s	78 l.	230V~50Hz*	Ø 40 D

Wet & dry vacuum cleaner with drain hose system

Model	Code	motor W (max W)	column depression	air suction	tank capacity	voltage	accessory
LX378F	8.217.0512	3000 (3600)	2400 mmH ² O/23.6 kPa	162 l./s	78 l.	230V~50Hz*	Ø 40 D

* Standard machines run also at 220V/240V, 50Hz/60Hz

Standard accessories:

OPTIONAL

	3.752.0041	LX 135/150
	5.212.0010	LX 135/150
	5.212.0034	LX 278/378
	5.212.0020	LX 135/150
	5.212.0021	LX 278/378
	3.754.0171	LX 120/135 LX 150
	3.754.0086	LX 278/378
